ROKMASTER RECEIVES DRILL PERMIT

(Vancouver, September 3, 2020) – Rokmaster Resources Corp. (or the “Company”) is pleased to report it has received an amended Mines Act Permit MX-4-500 from the Chief Permitting Officer of the British Columbia Ministry of Energy, Mines and Petroleum Resources.

The permit allows the Company to undertake certain exploration works and reclamation activities on the Revel Ridge Project, 35 km north of Revelstoke, BC.

Hy-Tech Drilling has been engaged for an initial 6,000 meters of diamond drilling to be conducted from 12 stations throughout a 1,500 meter length of the underground Main Zone and associated activities.

For additional information on the Company and its projects, please visit the Company’s website www.rokmaster.com or telephone (604) 290-4647.

On behalf of the Board of Directors,

“John Mirko”

John Mirko, President and Chief Executive Officer.

CAUTIONARY NOTE REGARDING FORWARD LOOKING STATEMENTS:

This news release may contain forward-looking information within the meaning of applicable securities laws (“forward-looking statements”). Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words “expects,” “plans,” “anticipates,” “believes,” “intends,” “estimates,” “projects,” “potential” and similar expressions, or that events or conditions “will,” “would,” “may,” “could” or “should” occur. These forward-looking statements are subject to a variety of risks and uncertainties which could cause actual events or results to differ materially from those reflected in the forward-looking statements, including, without limitation: risks related to fluctuations in metal prices; uncertainties related to raising sufficient financing to fund the planned work in a timely manner and on acceptable terms; changes in planned work resulting from weather, logistical, technical or other factors; the possibility that results of work will not fulfill expectations and realize the perceived potential of the Company’s properties; risk of accidents, equipment breakdowns and labour disputes or other unanticipated difficulties or interruptions; the possibility of cost

overruns or unanticipated expenses in the work program; the risk of environmental contamination or damage resulting from Rokmaster's operations and other risks and uncertainties. Any forward-looking statement speaks only as of the date it is made and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any forward-looking statement, whether as a result of new information, future events or results or otherwise.
