ROKMASTER ANNOUNCES \$1,000,000 NON-BROKERED PRIVATE PLACEMENT

(July 14, 2017, Vancouver, B.C., Canada) - Rokmaster Resources Corp. (the “Company” or “Rokmaster”) announces that it intends to complete a non-brokered private placement for proceeds up to \$1,000,000 through the issuance of 20,000,000 Units at a price of \$0.05 per Unit. Each “Unit” will consist of one common share and one non-transferable common share purchase warrant (“Warrant”). Each Warrant is exercisable to purchase one common share at a price of \$0.09 per share for a period of two years after the date of issuance. The Warrants are subject to an accelerated expiry date, which comes into effect when the trading price on the TSX Venture Exchange (“Exchange”) of the Company’s common shares closes at or above \$0.16 per share during any 20 consecutive trading day period commencing four months plus one day after the date of issuance. In such an event, the Company will give an expiry acceleration notice (“Notice”) to Warrant holders and the expiry date of the Warrants will be 30 days from the date of the Notice.

The private placement is subject to certain conditions, including regulatory acceptance. Finder’s fees may be payable in connection with the private placement, in accordance with Exchange policies.

Proceeds from this financing will be used to fund the drilling program on the Company’s Duncan Lake Zinc project and for general working capital purposes.
